Claims Solutions that Propel Better Outcomes

Insurers are facing an increasingly complex and costly claims landscape. Now more than ever, you need a partner with proven experience and results to keep you compliant and reduce costs while facilitating accurate resolution of claims.

We can help. Empower team members at every stage of the claims process with the right solution to enhance accuracy, compliance, and savings with Verisk's comprehensive suite of casualty solutions. You can rely on the industry's most extensive team of clinical, claims, and compliance experts to deliver customized solutions tailored to your company's needs.

We deliver real results that reduce claims costs

In 2023, our Medicare Compliance solutions enabled clients to achieve:

- **>\$125M** saved in MSA cost mitigation
- **>\$115M** saved in conditional payment disputes
- **~\$2M** saved through Treasury Department disputes
- **>\$1M** saved on Medicare Advantage Plans resolution and over **\$500K** on Medicaid resolution
- **>105,000** saved adjuster hours

Our advocacy makes the difference:

- **94%** approval rate for Legal Zero allocations and **84%** approval rating overall
- **87%** average reduction in Medicare liens via disputes
- **>\$4M** in CMS rebuttal savings and an additional **\$8M** through amended reviews
- **>\$2.3M** in RX Outreach savings

Ensuring client satisfaction is our guiding principle

The strength of our client roster and retention speaks volumes:

- **>90%** of clients retained since our founding in 1971
- **10/10** P&C insurers served
- **22/25** workers' compensation carriers served

Dedicated service model: “You’ll have peace of mind in knowing you have a dedicated team of experts who are focused on your unique challenges, compliance protocols, and specific needs. Our mission is to provide customized solutions and delight our customers at every turn.”

— Carrie Barr, President, Casualty Solutions
