Workers' Compensation Medicare Set-Aside (WCMSA) Reporting Webinar

Wednesday, October 1, 2025

CMS will be hosting a WCMSA Reporting Webinar. The intent of this webinar is to review the WCMSA reporting process that was implemented this past April, as well as to discuss, from CMS's perspective, some of the issues encountered as well as WCMSA reporting best practices. As parties impacted by the WCMSA reporting, we also welcome anyone else involved in the submission and administration of WCMSAs, including attorneys and Medicare beneficiaries, to join. Please bear in mind that this Webinar is intended to broadly address the WCMSA reporting process, so questions regarding specific cases are not appropriate for this setting.

In advance of the webinar, participants are encouraged to email the resource mailbox at PL110-173SEC111-comments@cms.hhs.gov with:

- General questions related to Section 111 WCMSA reporting.
- Requests for an accessible format of the presentation.
