**Vermont Department of Labor Announcement -- EDI Claims Release 3.1  
Implementation Update**

This notification provides a status update on the Vermont Department of Labor (VDOL) EDI Claims Release 3.1 for First Report of Injury (FROI) and Subsequent Report of Injury (SROI). VDOL is delaying the mandatory start date of November 6, 2023, for EDI Claim Release 3.1 for approximately 6 months. The new launch date is being finalized and will be announced soon. EDI Claims Version 1.0 will remain in effect until the new R3.1 release date. Updated EDI Tables and EDI R3.1 Timeline will be posted on the Vermont Worker's Compensation website soon to reflect the new start date. The updated R3.1 Implementation Guide will also be posted on the Implementation Guide page of the Vermont website. The test system will remain active for Trading Partners to continue testing for production certification to be ready for the new launch date. If you have any questions related to the VDOL EDI Claims Release 3.1 Implementation, please contact [VDOL-EDICoordinator@ebix.com](mailto:VDOL-EDICoordinator@ebix.com).

Thank you,

**VERMONT DEPARTMENT OF LABOR EDI Support Team**
