

We've got you covered

Ensure compliance with a full audit

ISO Claims Partners is dedicated to providing you with the best services to ensure full compliance with Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007 (MMSEA). We want to help you avoid penalties, improve your workflow, and reduce loss costs.

We'll evaluate your Section 111 compliance and uncover any deficiencies

ISO Claims Partners is here to assist you with your compliance needs. With Section 111 of the MMSEA, you're required to report any settlement, award, judgment, or other payment made to a Medicare beneficiary by any plan of insurance. The law applies to every property/casualty insurer and any company that self-insures risks involving bodily injury. These include workers' compensation, general liability, auto liability, professional liability, and others. The act also applies to captive insurers and risk pools. Section 111 imposes significant financial penalties for noncompliance.

ISO Claims Partners will fully evaluate your compliance program to:

- assess your compliance with Section 111
- identify opportunities to reduce demands on your claims staff
- avoid costs associated with Medicare compliance actions
- reduce loss costs to proactively

MMSEA Section 111 Compliance Audit Advantage

Reduce Costs

Identify Problems

Avoid Penalties

Does your compliance process make the grade?

The purpose of Section 111 is to make sure Medicare has recovered—or can recover—any payments it has made to a Medicare beneficiary when the loss is the primary responsibility of another insurance plan. You'll face substantial fines if you're not compliant.

An MMSEA Section 111 compliance audit examines all the key points of your Section 111 reporting process:

- obtaining query data
- submitting queries
- evaluating query responses
- determining reportable events
- obtaining required reporting data
- submitting quarterly reports
- evaluating quarterly report responses

The audit also reviews:

- interaction with claim processing systems
- conditional payment protocol
- release language

Don't take a chance on steep penalties. Let ISO Claims Partners audit your Section 111 process to ensure full compliance.
