

Website Notices 3/13/20

Pretrial conferences are cancelled through April 3rd, 2020. Joint pretrial order forms may be submitted electronically (where applicable) if the parties so desire, using the District email. Hearings will continue so long as directives from the Governor do not change or the hearing location is not closed by the local government. In the event this occurs, you will be notified as soon as possible. Anyone uncomfortable attending hearings in person may work with the court reporter to reschedule for future dates. Legal questions may be scheduled for telephonic hearing with the Single Hearing Member if so desired.

NEW ELECTRONIC FILINGS- On April 1st, 2020, the Board will begin accepting Third Party Settlements and Partial Settlement Agreements electronically through the district emails currently used for full and final settlements. While Third Party Settlements do not require approval from the Board, many do submit them and we will continue to accept them. This limited set of filings will be processed similarly to full and final settlements.

Later this year, the Board will switch to an upload system, at which time other agreed submissions, oaths, appearances and change of venue requests will be accepted digitally.
