DECLARATION OF EMERGENCY

**Department of Wildlife and Fisheries
Wildlife and Fisheries Commission**

Suspension of In-Person Appearance Requirement for Oyster Lease Renewal Applicants The Wildlife and Fisheries Commission has established by Rule in LAC 76:VII.501.C.2 that all applicants must appear in person at the oyster lease section office to apply for an oyster lease renewal. Due to the current public health emergency caused by COVID-19 and in an effort to reduce the need for exposure of oyster lessees and Department of Wildlife and Fisheries staff to the virus, the Wildlife and Fisheries Commission hereby suspends the in-person appearance requirement for oyster lease renewal applicants for the 2020-21 renewal period and directs the Department of Wildlife and Fisheries to develop an alternative method for applicants to submit oyster lease renewal applications in compliance with all other applicable laws and rules.

The Wildlife and Fisheries Commission finds that imminent peril to the public welfare requires temporary suspension of a Rule due to the extremely communicable characteristics of the Novel Coronavirus and the serious health risks associated with the COVID-19 epidemic. It is necessary to adopt this Emergency Rule to temporarily suspend the requirement for in-person appearance to prevent mandated interaction for vulnerable individuals in the midst of a public health crisis.

This Emergency Rule is promulgated in accordance with the emergency provisions of the Administrative Procedures Act, R.S. 49:953(B)(1) et seq., and shall become effective on November 1, 2020. It shall remain in effect for the maximum period allowed under the Act (120 days) and expire on February 28, 2021.

Jerri Smitko
Vice-Chair

The Louisiana Workforce Commission has exercised the emergency provision in accordance with R.S. 49:953 (B), the Administrative Procedure Act to amend certain portions of the Medical Guidelines contained in the Louisiana Administrative Code, Title 40, Labor and Employment, Part I, Workers' Compensation Administration, Subpart 2, Medical Guidelines, Chapter 51. This Emergency Rule effective September 21, 2020, will remain in effect for a period of 35 days.

The aim of this Emergency Rule is to temporarily add additional codes for the purpose of delivering care and allowing providers to use telemedicine/telehealth methods. This does not affect current existing CPT codes.

COVID-19 has created a mass disruption to the normalcy previously enjoyed by Louisianans and is an immediate threat to the public health, safety, and welfare of Louisiana citizens. In order to respond to the emergency and to protect and safeguard the public, health, safety and welfare of the citizens of this state, it is necessary to issue this Emergency Rule.

The department considers emergency action necessary to facilitate the timely payment to HCP for services rendered to injured workers pending enactment of a rule through regular administrative procedure. Notice is hereby given, in accordance with R.S. 49:950, et seq., that the Louisiana Workforce Commission, Office of Workers' Compensation, pursuant to authority vested in the Assistant Secretary of the Office of Workers' Compensation by R.S. 23:1291 and 23:1310.1, and in accordance with applicable provisions of the Administrative Procedure Act, proposes to amend LAC 40:I, Subpart 2, Chapters 51.

§5125. Special Instructions

A. Procedure Codes Not Listed in Rules

1. - 3. ...

B. Modifiers

1. Modifier codes must be used by providers to identify procedures or services that are modified due to specific circumstances.

2. Modifiers listed in the CPT must be added to the procedure code when the service or procedure has been altered from the basic procedure described by the descriptor.

B. Table 2

3. When modifier-22 is used to report an unusual service, a report explaining the medical necessity of the situation must be submitted with the claim to the carrier. It is not appropriate to use modifier-22 for routine billing.

4. The use of modifiers does not imply or guarantee that a provider will receive reimbursement as billed. Reimbursement for modified services or procedures must be based on documentation of medical necessity and must be determined on a case by case basis.

5. The modifier 95 appended to a code indicates it was performed by telemedicine/telehealth methods. Services should be reimbursed the same amount as the exact same codes without the modifier as long as the Emergency Rule exist. If carrier requires a place of service (POS) code for telemedicine/telehealth, code 02 may be used.
