

# The ISO Miscellaneous Professional Liability Program

Did you know that 80 percent of the U.S. workforce is in the service sector? Do you offer the kinds of products that professionals in this expanding economic sector need?

ISO is here to help with comprehensive **miscellaneous professional liability coverage** that protects 27 (and growing) classes of service professionals, including:

- advertising services
- answering services/call centers
- appraisal services (non-real estate)
- career counselors
- concierges
- corporate trainers
- court reporters
- document preparation services
- event planners
- interior designers (nonstructural)
- life coaching services
- notary services
- paging services
- photography services
- printing services
- private investigators/investigative services
- process servers
- résumé services/consulting
- salon services
- seminar conductors
- staffing agencies
- tax preparers
- tour operators
- translating/interpreting services
- translating/interpreting services (medical)
- travel agents
- tutoring services
- not otherwise classified
